SUBJECT:

Coordination of Requirements

1. Attached for your information is a memorandum for the record of the meeting which was held on Friday, February 25, 1955 with the other agencies on the subject of coordination of requirements. This note was prepared simply as a reminder for myself and will not be given distribution to the other agencies. It also serves as a convenient way for me to report to those of you who could not be at the meeting.

2. As soon as I have prepared the questions indicated in paragraph 11, I expect to converse again the CIO group which earlier met on this subject.
